AHS INSTRUMENT & GUARD EQUIPMENT PICK-UP: MONDAY, MARCH 23

NOTES

- This process is only for AHS students. Mr. Blankenship will communicate the LFC process.
- All students will sign-up for a time between 3pm-5:50pm. This is the ONLY window available and will be unable to provide another time for pick-up. Please be prompt and come at your sign-up time. The link for sign-up is at the bottom of the page. Save the link so you can refer to your time if you forget.
- The sign-up will ask for your locker #. This will help the directors pull your instrument in advance so this will be a fast process. If you do not know your locker number, put a question mark in the box.
- To protect the integrity of social distancing, this is a curbside drive-up process. Students are not to enter the building. Directors will bring instruments to your vehicle for your pick-up.
- Directors will follow proper sanitary procedures: washing hands, using gloves, having wipes and sanitizer available. We will sanitize handles as we drop instrument on the curb by your vehicle.
- The pick-up route will begin on the ramp by the track stadium. 8 vehicles will line up in front of the band hall and down the H-lot. Vehicles will exit from the H-lot. A director will lead traffic. See map below.

PROCESS

1. If you need to pick up your instrument, sign-up for a time (link below).
2. Enter the pick-up line from the track stadium. A director will lead in eight cars at a time to stage by the band hall.
3. Give the director your name; he will radio in to the band hall where a director will get your instrument.
4. A director will drop off your instrument on the street next to the front passenger door of your vehicle.
5. Student/family member takes instrument.
6. Leave when equipment and student is safely secured in vehicle.
